## PRESIDENT'S REPORT

Hi everyone,

This month marks the end of another committee year and it presents an opportunity for our members to either nominate or be nominated for committee and/or support roles. In addition to our regular monthly General Meeting, we will be holding our Annual General Meeting this month.

For anyone that may be unfamiliar with the process, all executive committee positions will be spilled before a new committee is formed. This means that anyone who is a financial (ie. paid up) general member that wishes to become a part of the Committee may seek nomination. If becoming a part of the committee interests you, please feel free to nominate yourself or be nominated by a fellow member. Apart from the main committee roles, we are always on the lookout for general committee members (ie. no designated role or primary responsibility) to help out throughout the committee year. If this sounds like you, please nominate and become involved.

In relation to our support (non-elected) committee roles, I have previously mentioned that our Magazine Editor would very much appreciate the opportunity to take a break from that role after having taking over responsibility 3 years ago. I would like to thank Ly for modernising our club magazine and for his dedication to this role over that time. Now is the time for a new Magazine Editor to take over and I seek your assistance in filling this important role.

We also have an opening for a new person to take over as Caterer (another support role that does not require nomination). Lisa has done a wonderful job over the past 4-5 years and (understandably) would appreciate the opportunity to take a break from this role. If you can spare the 10 minutes or so required ahead of each monthly general meeting to help out with catering for our club meetings, we'd love to hear from you. Please note that the club covers all catering costs so anyone who would like to step up and assist can rest assured that they will not be left out of pocket.

I hope that you can appreciate the wonderful behind the scenes work that executive and support committee members perform in order to keep our club running smoothly. Please consider whether you'd like to volunteer some of your time in one of the many roles available to lessen the work load for all.

Finally, we have agreed to move our monthly meetings from the bowls club clubhouse at the rear of Club Noble to their (upstairs) Blue and Gold room which is a part of the main building. Same meeting time and day of each month, just a different meeting room.

I hope to see you all at the next general meeting (incorporating our AGM) or, if you can't make it, at one of our up-coming club trips or events.

Take care, keep safe and remember to tread lightly.

Steve Pitcher

President

OZtrail Easy Fold Stretcher Tent Single (beige colour)

\$20

Had this for about a year (second owner). Getting rid of it because it leaks through the fly sheet with heavy rain. If you sleep this under an awning or tarp then it's no problem. No rips or tares that I know of. One of the carry bag's zipper-handle has broken off but can still zip with the other zipper.
