## PRESIDENT'S REPORT

Hi All

Well another month has already passed and I am writing this report from lockdown 5.0. I am not sure if it is deja vu or groundhog day or some other weird twilight zone. We managed to have a face to face general meeting which was great but it was somewhat challenged with a last minute change in venue to meet covid19 restrictions.

We had our annual Christmas in July event actually held in July this year. There was a small turn-out to St Anne's winery on a cool but mostly clear winter's day. We had a roaring fire, some amazing food and of course some great company. Thanks very much to David for organising it all and making sure we were all fed. Thanks to Ly for running a great spit as well.

This last year has been challenging in so many respects. We have had online meetings, trips cancelled and unable to be run and we have 3 snow trips booked. I am hoping that we can get at least a couple of them running as they are a great experience for members to drive in the snow.

I have been proud to lead the club through the last year and am so glad that we have been able to meet new members, get out on some trips and of course the bonus of meeting face to face every now and then.

This crazy year has also meant that Tristan's and my businesses have been growing like crazy which is taking up a lot of my time. This means that I will not be standing for President in the coming election as I believe that the role needs more time than I am able to give at this stage. I will of course support and help the person that will take over as much as I can. I will also make sure that I run some great trips as well.

Thank you to all the committee for all your hard work this year in some very trying times.

So now I am crossing my fingers that we are out of this lockdown super quick and we can get out and about. So please take care and will see you out on the tracks soon.

Sally

## **2020 – 2021 Trip Coordinator's Report**

Trips postponed, cancelled, some rescheduled and then cancelled, sound familiar?

The year started in partial lockdown with limited travel. The introduction of stage 4 restrictions then stopped us dead in our tracks before managing to get out late in the year and early this year prior to being shut down again.

All in all a tough year for trip leaders but to those who managed to run trips I congratulate you for your tenacity.

A trip by Stuart to Aberfeldy followed by couple of weeks in the high country around Davies Plains started our Journal before our Christmas get-together and a short trip by David to Aberfeldy rounded out 2020.

A trip to Nunniong Plains and Ulupna Beach over Australia Day weekend started the year. A trip to Noojee, Mt Matlock and Mt Terrible with Sally was solidly booked and enjoyed by many adventure-starved members before a couple of lucky members spent some time at Pinch River over the March Labour Day weekend.

David ran a trip to St Ann's Winery. Stuart led a return trip to Rawson/Walhalla that included a run on the local steam train, Callum took a group through Tallarook State Forest and David visited Mansfield and several local huts.

We finished the year with our Christmas in July at St Ann's Winery and a snow trip last weekend by Joe to Mt Skene.

Sadly we were unable to undertake any maintenance commitments to West Gippsland Inc historic locations.

A fantastic effort given the circumstances.

All in all we managed 14 Trips for the year with 115 participants. Leading participant was David Bruinsma having attended 7 trips.

There were 12 trip leaders with David Bruinsma the most active with 5 trips. Well done David, an awesome effort.

Congratulations everyone, a terrific effort considering the environment we are operating in.
